

To our wonderful residents and family members:

Fox Ridge Management would like to inform you that Jacob Rodgers is no longer the Executive Director of Fox Ridge Bryant effective 1.26.2021.

We are very pleased to announce the promotion of Jeffery Wright to this position. Jeffery has been a member of the Fox Ridge family for over 15 years. He has proven his dedication and worth. He is bringing years of senior healthcare experience to the Bryant community. He started out as a licensed practical nurse. He was promoted to Assistant Director of Nursing and later took on the role as Director of Nursing. He has a servant's heart and a strong desire to care for seniors.

In the interim, Katie Pazdera from our Chenal community, will be overseeing all immediate needs. She has been a member of Fox Ridge management since 2014. She will be working with the current team to ensure our residents are healthy and safe. Until Jeffery can come on board, she will be at the Bryant community on Monday, Wednesday, and Friday. Should you need assistance on Tuesday and Thursday, Suzanne Moss will be available. If Suzanne is unable to assist, feel free to contact Ann McClure, Director of Operations at +15017499352.

We understand that change is hard and that turnover is frustrating, but the health and safety of our residents is most important. Our team is strong and we will work through this change together. Should you need anything or have any questions, please reach out to Katie either by phone or email. Her email address is [kpazdera@foxridgeliving.net](mailto:kpazdera@foxridgeliving.net) and phone number is +15409681715.

If you have any questions or concerns, feel free to reach out.

Thank you,  
Fox Ridge Management, LLC
